## Everytime At Christmas

M & T: Marie Louise Werth

Everytime at Christmas \* I feel close to you \* When snow starts falling \*  
My notions turn to you

Everytime at Christmas \* Sweet memories come true \* In this silent moment \*  
Happiness for you

All the good times they are calling \* Deep inside me – move and move \* All the lucky  
days and funny days \* We spend together groove

Our love was deep and crazy \* Like a dream can ever be \* Everytime at Christmas \*  
I'm so close to you my Dear

Cu l'emprema neiv setschenta \* Onn per onn, u baul ni tard \* Ella temps vargai  
luenta \* En miu cor – en mes patratgs

Desideris - regurdientschas \* Dils bials temps d'amur cun Tei \* Gie cu l'emprema neiv  
setschenta \* Ei miu cor puspei tier tei

Everytime at Christmas \* Sweet memories come true \* In this silent moment \*  
Merry Christmas to you

Everytime at Christmas \* I feel close to you \* When snow is falling \*  
Again I fall in love with you
