

Christmas Comes To Us All Once a Year

Musik und Text: F. Arquilla

Christmas comes to us all once a year
Bringing forth much love and good cheer
 Blaring snow from heaven above
Clothes our hearts like a blanket of love

 Little children sing hymns
 'Round the ol' Christmas tree
And the song lights they sparkle
 In close harmony

Church bells ringing, the chime
 Rining so much delight
 You'll just know
That this is Christmas night

Christmas comes to us all once a year
 Greeting all with love, so sincere
Stars up high twinkle so bright and gay
Telling all soon will be Christmas day
